CHILTON PRIMARY SCHOOL NEWSLETTER

Week ended 16.03.18

Year 2 - Scafell Pike

During Fairtrade Fortnight we explored Tanzanian art and created our own Tinga Tanga inspired artwork.

Year 6 visited the Safety Carousel Wednesday 7 March - where they were involved in workshops – teaching them how to be safe around electricity, water, on-line and road safety'; they had a marvellous time.

On Tuesday, the **Year 5** Science Ambassadors welcomed Dr Jenny Search from Durham University to school. Together, they planned and carried out an investigation into Earth, Sun and Space. Then group made some planets, explored the distance between planets and also made some rockets...which they tested out in the playground... with great excitement.

Sarah, one of our Ambassadors, said that “I have been so excited to work with Science Ambassadors this year, I have been really lucky.”

Your son/daughter came home on Wednesday with a Bag2School bag. Could you please fill with any unwanted but reusable items of clothing etc and return to school on Tuesday 20th or Wednesday 21 March (not before) for collection on Thursday 22 March.

Bags will be weighed and money raised will go towards projects being led by Chilton Primary Friends.

Thank you

Another exciting week!

We have had another busy week in school – including the Fair Trade celebration, Reception Family Assembly, artwork session with parents in Y4 and multi-skills festival for children from KS1.

With only another two weeks until the Easter Break, we have further family assemblies and a number of ‘egg-citing’ Easter activities planned!

We will finish the term with an Easter Service in St. Aidan’s Church on the Thursday 29th March at 10am. All children from Reception through to Year 6 will be participating – and all parents are welcome to join us in church.

With very best wishes,

Mrs. A. Pybus-Coates
