'Houses and Homes' - History Work in Year 1

In Year 1 we are investigating 'Houses and Homes' as part of our History topic this half term. We started by investigating a range of contemporary sources and artefacts to try and work out.

- What these objects are?
- In which room of the house they were used?
- Whether they are still in use today or, if not, what has replaced them?

CHILTON RESIDENTS - CONSULTATION ON LEISURE ACTIVITIES

Every house in Chilton should have received a Town Council newsletter plus a questionnaire. The Town Council wish to consult with ALL residents in order to understand how you / your family currently spend your leisure time and which facilities you / your family currently use in the local area.

Please complete the paper copy of the questionnaire & return to the Council offices. Alternatively you can complete a survey on line by entering the following link into your browser:

<https://www.surveymonkey.co.uk/r/HFBH82Z>

Please complete questionnaires by **NO LATER THAN 1st December.**

This information will provide both a 'needs assessment' and a gauge of public interest. It will be the first stage in a longer term process, where we will investigate ways to both add to and make improvements to existing facilities within the town as a means of meeting resident's needs and aspirations. This will be an ongoing consultation exercise and we look forward to working alongside residents & the wider community in a bid to compile funding application(s). Please note: the delivery of any project will be funding dependant.

We appreciate you taking time to complete this questionnaire and if you have any queries please contact the Town Council who will be delighted to answer.

And finally..... It's the most wonderful time of the year.....!

Welcome back to the last half term of 2017. This is always a very busy term - with Remembrance events, the Christmas Lights Switch-On and annual Carol Service at St. Aidan's Church to look forward to. In school, we will be celebrating with our usual Christmas performances, Christmas lunch - and the Christmas Panto and parties for the children c/o the Friends of the School. This year, we also have the Friends of the School Chilton Lights event - which will run concurrently with the bi-annual Lumiere event being held in Durham.

During the next two weeks, the children will also take part in the annual Town Council Official Christmas Card competition - with the winning entry going to print. With so much going on, please regularly check our Parent Pay and texting service communications regarding dates, times and ticket allocations to avoid disappointment.

With Best Wishes
