Fuel for School

On Friday morning, the children received assemblies and workshops on the Fuel for School initiative. This project aims to reduce food wastage (when is food 'out of date' and what does 'best before' date really mean?) We hope to roll this programme out over the coming weeks. Look out for a news item which may appear on the BBC's 'Look North' programme in the coming days.

Harvest Service – St. Aidan's Church Friday 20th October 9:30am
