How to catch a star...

Reception have been doing lots of great learning around their class story 'How to catch a star' by Oliver Jeffers.

Nursery

'The snow fell fast and the wind blew wild'.

When the snow fell last week we couldn't resist going out and exploring it. Talking about melting and freezing and the change in season.

This week's winner is:
Pennines and White Cliffs of
Dover
with 100%

In the Bleak Midwinter.....

The forecast for this weekend is for snow – and certainly very cold temperatures. We advise you to send the children in suitable footwear for the journey into school, with school shoes in a separate bag for them to change into once they are indoors. We have suitable storage space – but do ask that you name or mark the boots/wellies in some way so that we can avoid mix-ups! A clothes peg is also a great way to keep pairs together.

It also helps if hats, scarves and gloves/mittens are named or marked in some way to make it easy to identify the owner!

Do be aware that – depending on the weather and temperature outside – we do still allow children to go out at break-times. However, this only occurs if they have suitably warm and waterproof clothing.

Enjoy your Christmas shopping this weekend!

With very best wishes,

Mrs A Pybus-Coates
Headteacher
