Dear Parents / Carers,

22 April 2016

As you will have seen from last week's Diary Dates, we have a very busy term ahead - particularly in Years 1, 2 and 6 - with assessments and National SATs to complete. If your child is absent at all this term, can you please notify us as soon as possible in order for us to make alternative arrangements for their assessments if necessary.

## World Earth Day

Today we celebrated World Earth Day with a special assembly looking at environmental issues. The Eco-Team had a visit from Durham's OASES Team - and met with our caretaker, Mr. Lee, to tour the school and explore further ways in which we can make the building and grounds more environmentally-friendly.

## CIC Science

KS2 children were treated to a special performance this morning from the `CIC Science Group = who performed 'The Curious Case of the Human Body' in the main hall. A report to follow next week.

## STEM Festival at the Education Development Centre, Spennymoor

*'On Tuesday 18<sup>th</sup> April we went to the Stem Festival. The word 'STEM' stands for Science, Technology, Engineering and Mathematics'. We did all of our activities using IT tablets to work all the answers out. One of our tasks was to solve a crime scene, which we really enjoyed!'* (Reporters - Harvey, Kate, Lucy, Ellis from Y5)

## Message from Chilton Town Council - Littering and Litter Volunteers

Firstly, the Town Council would like to thank the volunteers from the Ladder Centre's 50 Plus Group who kindly litter picked the area around Chilton cemetery leading up to the bypass recently. Residents will have read County Councillor Christine Potts letter in last week's 'Chapter' advising they collected a total of 22 large bags of rubbish.

It has been suggested that the Town Council try and organise a group of willing volunteers to litter pick our Town - as it seems ironic that it is people from Ferryhill who are kind enough to give up their time and effort to clean Chilton - for which members are very grateful.

If any individuals or local groups are interested in volunteering, please call into the Town Council office, Monday to Friday between 9 and 3 - or alternatively telephone 01388 721788 by no later than Tuesday 31st May 16 to leave your details.
