Dear All

24 April 2015

Primary Engineer Competition Winners!

On Tuesday, a group of Y2 children and a group of Y5 children took part in the Primary Engineering Event, which was held at FBEC. The Year 2 children were entered into the Apprentice Level competition where they made a shoebox vehicle. Both Y2 teams did extremely well. Lucy and Katie won the Apprentice Level 1 competition and Declan and Kevin won the Apprentice Level 2 competition! The Y5 children had made an electronic moveable vehicle, which was rather complex. However – again - the teams did really well and Lucy and Libby came 2nd overall. All the children had an enjoyable day; well done everyone who took part! (Ms. Brady – Class Teacher)

School Uniform from September 1st 2015

As you will already be aware, our uniform will change in September as the green polos are phased out. White polos with the school logo will be worn in Early Years and KS1, with white shirts and ties replacing the polos in KS2. Crew-neck school sweats with our school logo will continue in KS1, whilst the shirts in KS2 will need to be worn with a V-neck sweat with school logo. School will purchase the ties for all KS2 students for 2015-16. Order Forms will be available shortly.
