Dear All,

3rd March 2017

Welcome back to the second half of the Spring Term; it is incredible to think that we are already **half-way** through the school year! We have had a lovely first week back, with lots going on.....

Class Newsletters

Class newsletters have been sent out today via the children with information regarding planned learning activities this term. We hope that you find them useful.

Ash Wednesday - Special Assembly for Lent

Our thanks to the Rev. Alison Richardson, vicar of St. Aidan's Church, for leading a special assembly to introduce Lent this week. All the children in KS2 were very kindly given a 'Love Life, Live Lent' booklet, which - rather than encouraging children to 'give up' something for Lent, turns the idea on its head and asks them to be pro-active and 'do' something each day for Lent instead. The children can tick off the activities that they are able to complete on a daily basis between now and Easter Sunday. We look forward to seeing Alison later in the term, when she will be working with our younger children, helping them to build their own 'Easter Gardens'.

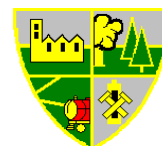

World Book Day

All of the children looked outstanding in their outfits for 'World Book Day 2017'. Prizes were awarded for the best costume in each class, as judged by the Junior Governing Body. Thank you to all parents / carers and pupils for the time and effort that went into making World Book Day so enjoyable and memorable.

Family Thursday....

Our "Family Thursday" campaign - which encourages families to eat together once a week - has received a good response and lots of children throughout school are being awarded their weekly points. A good number of children have received the bronze and are working their way towards their silver and gold. We understand that some families might find it difficult to sit down together on a Thursday night, so please feel free to eat together any night of the week and then your child can receive their points.

Please start sending in your photographs and favourite family recipes so we can share them with other families via our newsletter and website.

Y3 Family Assembly

It was lovely to see so many parents at our family assembly. We hope you enjoyed the children's ideas about their favourite books and authors - and we greatly appreciate all the time and effort you have all taken to prepare such wonderful outfits for the children to wear. (L Sheard - classteacher)

As usual, please do not hesitate to contact me via the main office with any comments, suggestions or queries that you may have.

With very best wishes,

Mrs A. Pybus-Coates
Headteacher
