Swimming 2017/2018

KS2 Swimming outcomes 2017/18

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

At Chilton Primary School, swimming outcomes at the end of Key Stage Two are currently significantly above the county and national average for those in year 6. At the end of the academic year 2017-18, 23 out of 24 pupils (96%) achieved the national curriculum expectations.
