

## Acceptable Use Agreement For Key Stage 1 Pupils

### Keeping me safe at home and at school

We will use our own logins to access school computers.

We check with a grown-up before using the internet.

We tell a grown-up if something we see makes us feel worried.

If we get stuck or lost on the internet we will ask for help.

We can write polite and friendly messages to people we know.

Shhhhh! We will keep our personal information, our name, address, our school, our pictures "Top Secret" and not share it on the internet.
