Acceptable Use Agreement for Key Stage 2 Pupils

For my own personal safety – everywhere!

- I will ask permission from a member of staff before using the Internet at school.
- I will keep my logins and passwords secret.
- I am aware of 'stranger danger' when online and will not meet online friends.
- I will tell an adult about anything online which makes me feel uncomfortable.
- I will not try to bypass the system to reach websites the school has blocked.
- I understand that school may check my files and may monitor the web pages I visit.
- When in school I will only contact people with my teacher's permission.
- I will be very careful when sharing pictures or videos of myself or friends, if I am in school I will always check with the teacher.
- I will not open an attachment, or download a file, unless I know and trust the person who has sent it.
- I will not put my 'personal information' online (my full name, birthday, phone number, address, postcode, school etc).
- I am aware that some websites and social networks have age restrictions and I should respect this.
