## Circulation to parent/carer of KS1/KS2 Pupils

Dear Parent/Carer

As we are sure you are aware, the safeguarding of your child is of paramount importance to us. Our school, along with many schools throughout the country, has produced an "E Safety" policy to ensure all ICT systems (computers, laptops, iPads, email and Internet etc) in school are used responsibly and safely by all pupils and staff. We hope that by everybody following a few simple rules, we can do our best to protect ourselves and each other from any threats that modern technology may pose.

As a school, we need to know that you are aware of, understand and will support our eSafety rules. Your child's teacher will read through and explain the rules in class. We ask that you please take the time to:

- Carefully read the content of the attached document and discuss this with your child.
- Complete the slip and return to school by **6 December 2013**.

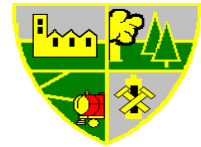

Yours sincerely

Miss F Brady  
E-Safety Co-ordinator
