

Chilton Academy & Nursery
Where Everyone **C.A.N.**

Friday 25th October 9:30am

The children of Chilton Academy will be attending St Aidan's Church for their annual Harvest Festival.

Food donations, such as canned or dried food, for the local food bank will be greatly received.

We are hoping to create small hampers to deliver in the community and also make a donation to the local food-bank.

Any donations please send into school with your child and we will collect in main reception on our food barrow

If you wish to join the children you will be more than welcome but please be advised to sit at the back of the church as the children will fill it up from the front.
