Why Choose Chilton Academy Nursery?

- We are a good school (Ofsted 2016)
- In Reception class 2018/19 73% of children achieved a Good Level of Development (Early Years Goals) compared to the National and Local average of 71%
- We are a school that encourages and celebrates a love of learning – each pupil is known and cared about as an individual
- Your child will be cared for, nurtured and provided with the best possible start on their educational journey

Our Early Years has four guiding principles (themes). These are:

- Every child is a **unique child**, who is constantly learning and can be resilient, capable, confident and self assured;
- Children learn to be strong and independent through **positive relationships**;
- Children learn and develop well in **enabling environments**, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents and/or carers;
- Children **develop and learn** in different ways and at different rates
